When a really great teacher retires, it feels like the entire community should pause for a moment and pay tribute to them. A teacher affects so many students in their career, and the entire community does

benefit from their service. Janie Cowherd is one of those teachers! She has served the students in our school district for 32 years. We will celebrate her retirement on May 10 at 4:15 in the Primary School Li-

brary. Beyond teaching students, Janie has been a leader at LRP. Her experience and wisdom will certainly be missed! She is looking forward to the next chapter in her life..and we wish her the very best!

Occasionally Mrs. Immekus brings her dog, Maxine, as a reward for her students. Grace enjoys reading her book to Maxine!

The kindergarten students study and hatch their own butterflies, and then enjoy a field trip to the Butterfly Palace in Branson.
